To Whom It May Concern:

This letter is my personal recommendation for Aaron Blaha. Until just recently, I have been Aaron's immediate supervisor for the past three years. I found Aaron to be consistently pleasant, tackling all assignments with dedication and a positive attitude.

Besides being a joy to work with, Aaron is a take-charge person who is able to present creative ideas and communicate the benefits. He has successfully developed conceptual design skills, 3-D rendering skills and made them appropriate for informing the client of the design intent of the project. Aaron also learned the process of delivering a project from start to finish and what it takes to make a project complete and the client happy.

I highly recommend Aaron for employment. He is a team player and would make a great asset to your firm.

Sincerely,

A handwritten signature in black ink, appearing to read "W. Lyons", with a stylized, flowing script.

LETTER OF RECOMMENDATION

2 October 2016

To Whom It May Concern,

Please consider our letter of recommendation for Aaron Blaha.

While at our office, Aaron performed a variety of tasks, displaying several of his skills. We found his hand sketching, Revit, Sketchup, V-Ray, and Photoshop skills all to be exemplary. We additionally found him to be a quick study and always thinking through a problem from multiple angles.

Aaron is driven, thoughtful, and creative and has much to offer in the field of architecture.

Sincerely,

Two handwritten signatures in dark ink. The first signature on the left is a stylized, cursive 'M' followed by a long horizontal stroke. The second signature on the right is a stylized, cursive 'H' followed by a long horizontal stroke.
